Bi-Weekly Maximum Earnings

REF : (A) FS 20-650-1  
(B) FPMR 1321

1. In connection with a recent study of organizational regulations relative to pay periods for unvouchered funds payrolls, it has been established that reference (A), paragraph 5b must be changed. Employees paid from unvouchered funds are paid on the basis of two bi-weekly pay periods, combined for administrative purposes into one pay day every fourth week. This discrepancy between legislation and pay regulations was revealed in determining the effective date for retroactive pay for unvouchered employees.
